

Cecil Pregnancy & Family Resource Center

From the Director's Desk

Hello friends,

I am continually humbled by how our Heavenly Father continues to sustain and amaze us.

Our new ultrasound tech and Nurse Manager, Jeani Hanks, completed 50 required ultrasounds under an RDMS in only three months. Since then she has performed 17 solo ultrasounds. Through meeting this need, we realized that our ultrasound machine is aging and should be replaced within the next year.

Knights of Columbus representative and board member, Tom Podlesak, has been working with us to replace our current equipment with a 4D machine. The Knights have generously provided funding for \$31,000 of this \$36,000 investment in sharing the window to the womb. They asked that we reach out to the community, allowing them to participate in raising the remaining \$5000 to meet our goal.

Remember the five barley loaves and two small fishes? (John 6:1-14) But God...

On June 27, we were \$790 shy of meeting this goal. The children and congregation of Blessed Hope Baptist Church had been filling a 5-gallon bottle with offerings since before COVID. God led them to donate it towards the ultrasound machine. Our volunteers were eager to count the offering – and over the moon when the final count was \$790.65!

In the words of Board Member Sue Mullan, "That is God's math." Sometimes God just has to show off and we're so glad He does!

Thanks to the generosity, prayers and support of all who continue to support us!

 - Vicki Karschner

Volunteer Spotlight - Carol King, RN

Carol King began working at the Center in 1976, alongside our founder, Bette Green, lending a hand wherever needed. Both were expectant mothers at the time.

When we received our first ultrasound machine nine years ago, Carol served by performing ultrasounds. She has found it exciting to see new life at early stages and to share that privilege with expectant mothers.

Her most memorable moment was ministering to a young couple from U of D who had every intention of ending the pregnancy. Their minds were changed once they saw not one, but two babies in the womb.

Carol retired in 2020 having performed 218 ultrasounds. We thank her for 45 years of service to our community.

Baby Showers for the Boutique

Your response to our first **Amazon Baby Registry** was encouraging! Thank you!

Special thanks to **Good Shepherd Church and School** for donating baby items.

Once again we have been showered by the **Ladies Ancient Order of Hibernian**. COVID didn't stop them from holding a drive-by shower last year. And we were delighted to host the ladies in person this year and provide a tour of the center!

- 1092 diapers ~ 3704 wipes
- 27 outfits ~ 37 clothing
- 3 blankets ~ 5 pr shoes
- 13 toiletries ~ toys & books
