## From the Director's Desk

### Blessed Beyond Measure

*"Many, O LORD my God, are thy wonderful works which thou hast done, and thy thoughts which are to us-ward: they cannot be reckoned up in order unto thee: if I would declare and speak of them, they are more than can be numbered." - Psalm 40:5*

To be blessed beyond measure is to experience the extreme goodness of God. Looking back over 2021, we can see God's blessings everywhere. Whether an increase in new clients or extending our Center's hours. Whether a fresh makeover of the building's interior or the purchase of a new ultrasound machine. Whether adding a nurse manager to staff or increasing our volunteer pool. It all points back to God's goodness.

Who are we (Cecil Pregnancy and Family Resource Center) that He should be mindful of us? May we ever be humble servants of our Lord seeking His direction in our steps.

*"How precious also are thy thoughts unto me, O God! How great is the sum of them! If I should count them, they are more in number than the sand: when I awake, I am still with thee." - Psalm 139:17-18*

Praise God,  
it's here!

We're just a **LITTLE** excited that our new 4D ultrasound machine has arrived! Our sonographer, Nurse Jeani, has already used the equipment to show expectant mothers the life growing inside them. The images are crisper and the 4D aspect creates a movie effect – allowing the opportunity to see the baby smile or yawn. How amazing! A big thank you to the Knights of Columbus and all who contributed toward this goal.
