Keynote Speaker Jill Stanek

Mrs. Stanek will share her testimony from an insider's view as a labor and delivery nurse at a hospital where abortions were being performed and babies were being aborted alive to die without medical care. Jill went public with this information and has become a national figure in the effort to protect both born and pre-born infants.

In 2015 Jill was named National Campaign Chair at Susan B. Anthony List.

Jill's testimony was used in Congressional Debates on the Born Alive Infants Protection Act and Partial Birth Abortion Ban.

A silent and live auction will be held
